MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Briefing Note on DOD Peripheral
Reconnaissance Program for
April 1963

1. It is recommended that you approve the flights
Scheduled for April.
2. It is felt that the "Summary Of Results" section
is a valuable addition. With reference to the Cuban section OSI,
comments to the effect that some of the paragraphs should have
been expanded to avoid any possibility of misinterpretation. These
thoughts have been orally transmitted to JRC which will in turn
pass them to NSA and DIA on whom it relies for this contribution.
If actual differences of interpretation emerge it is believed that
they may be resolved on a timely basis.
3. The Agency is acting on your injunction of 27 March
to the effect that "a priority effort should be directed --- to devising
means and proposals whereby
